Dear Ms. Perryman:

This letter is to advise you that the 05/23/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
8125(1)	The childcare staff member did not provide appropriate care and supervision during lunch	The agency and program director will make step to ensure the child care staff members provide appropriate care and supervision to all children during lunch. Meals will be frequently monitored by the program director and agency personnel.	5/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
