Dear Mrs. Mattea:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 06/13/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations. During the onsite inspection, I observed positive child/caregiver interactions. The rooms were clean and required postings were in place. I provided consultation on child information cards, crisis management and lead caregiver credentials.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
