Dear Ms. Hogan:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 10/06/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

During the onsite inspection on 10/06/2022, there were four classrooms. The GSRP classroom engaged in a small group lesson. The teacher used tiles with pictures of scenarios that were “right and wrong” and “good and bad.” The children had to respond to whether the scene she held up was about children doing something right or something wrong. The toddler classroom reviewed their colors, shapes, and sang a song while they were cleaning up. The infants engaged in floor tummy time. The preschool class had free choice time. The children ate cereal, milk, and applesauce for breakfast.

As a result of the inspection, I did not find any rule or law violations.
