Dear Ms. Sawyer,

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/28/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

During the onsite inspection the toddlers and preschoolers were in their classrooms engaged in work groups. The classes were in ratio according to the licensing rules. Ms. Sawyer shared how the child care staff members were using best practices with handwashing during lunch and diapering. A check of children’s records was not conducted because of the onsite renewal that was conducted on February 1, 2022.

As a result of the inspection, I did not find any rule or law violations.
