Dear Ms. Harvey:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 01/13/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

This center is currently not operating a childcare. There are no staff and no children are enrolled. There are plans of possibly opening during the summer to provide a summer day camp. The licensee has been informed they must contact the department by April 2022 if they do intend to operate the summer program. They must get all the staff fingerprinted, training in CPR and First Aid, complete the Health and Safety Training and an orientation covering licensing rules and the center policy.
