Dear Ms. Wood:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 07/20/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

This is a summer program that runs for Mid June to Mid August only. I reminded Ms Wood that the returning CCSMs need to complete the 2023 Health and Safety refresher course.

| During calendar year 2022: | Total |
|---|--------------|
| Number of serious injuries that occurred in facility. | 0 |
| Number of deaths that occurred in the facility. | 0 |
| Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility. | 0 |

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.
