Dear Ms. Griffin:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/13/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

The children were going over the message board during morning meeting. They discussed the weather when they were outside, how many friends were in class and who was wearing blue. During break out time, each able worked on an art project pertaining to Easter creating Easter eggs and bunnies.

Consultation was provided regarding Licensing Notebook and removal of documents not pertaining to the notebook. Add most recent recall list to the information board.
