Dear Ms. Cole:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 10/24/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection I observed children engaged in a variety of different activities. Children were painting, sensory play, free play, eating, and napping. I observed positive child/caregiver interactions. The center is equipped with a variety of developmentally appropriate materials for children to use. I provided consultation on milk labeling, exposed piping materials, ceiling tiles, and required trainings.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
