RE: License #: DC820296335
U of M Dearborn Early Childhood Education Center
18501 Rotunda Drive

Dear Ms. Stone:

This letter is to advise you that the 03/23/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143 Children's records.	One of ten children records reviewed did not have a certificate of immunization showing a minimum of 1 dose of each immunizing agent specified by the department of health and human services (DHHS).	The license designee will ensure that in the future MICR will be utilized regularly to spot check for immunizations when they have been updated with the most recent immunizations.	Effective immediately

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

A handwritten signature in cursive script, appearing to read "Janeiro Byrd".
