Dear Mrs. Mattea:

This letter is to advise you that the 04/25/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R. 400.8173	<p>There was peeling paint where an old soap dispenser once hung in the children’s unisex bathroom.</p> <p>Room 146 had a severely worn child sofa and the table in the dramatic play area table was discarded due to being wobbly.</p>	<p>Repair and touchup painting will be completed on the wall.</p> <p>Worn and disrepair furniture will be replaced.</p>	4/25/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
