III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

The facility is in compliance with all applicable rules and statutes.

Consultation provided: Informed program director and FSW to make sure the parents are filing out the Child Information Cards correctly. Parents should be listed as the first and second emergency contacts.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care center.
