Dear Ms Harris:

This letter is to advise you that the 03/16/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8112(1)(b) Comprehensive background check; fingerprinting.	One of the licensee designees was present but was not entered into the child care background check system.	All employees are now fingerprinted and entered in the CCBC system.	03/09/2022
R 400.8112(1)(c) Comprehensive background check; fingerprinting.	Two of the six staff files reviewed had a staff member that was not connected in the child care background check system.	All employees are now fingerprinted and entered in the CCBC system.	3/09/2022
R 400.8122(9) Lead caregiver; qualifications; responsibilities.	One of the lead caregiver files reviewed was missing their credentials.	The staffing plan has been updated to reflect the correct lead caregivers. All lead caregivers	3/09/2022

		have their qualifications onsite and in their files.	
R 400.8125(5) Staff; volunteer; requirements.	One of the program directors was missing a signed abuse and neglect statement.	All staff members will have signed abuse and neglect statement on file prior to caring for kids. Any staff missing theirs will complete them.	03/19/2022
R 400.8131(5) Professional development requirements.	Six out of six staff files reviewed were missing proof of required trainings.	All staff missing required health and safety trainings will complete them. Licensee and program directors will ensure that all any staff hired will complete the required trainings before caring for kids.	04/16/2022
R 400.8131(6) Professional development requirements.	Five out of five staff files reviewed were missing proof of training hours completed for either 2020, 2021, or both.	All staff trainings will be kept in a separate file. Licensee and program directors will ensure that all staff complete 16 hours of training per calendar year and that proof of training not completed in MiRegistry is kept on site in staff's file.	04/16/2022
R 400.8143(2) Children's records.	Five out of ten children's records reviewed had not been updated since 2020.	Licensee and program directors will ensure that all children's records are reviewed and updated annually.	04/11/2022
R 400.8143(7)(b) Children's records.	A preschooler's physical was reviewed and had not been updated within two years.	All students' families have been provided a new folder with all necessary documents to be completed. A time frame has been provided for families to turn in the required documents. A file template has been created for program directors and licensees to check off to ensure that all forms have been received for enrollment or updated as required.	04/17/2022
R 400.8143(8)(a) Children's records.	Four school age children did not have a signed statement of health with any restrictions noted.	All students' families have been provided a new folder with all necessary documents to be completed. A time frame has been provided for families to turn in the required documents. A file	04/17/2022

		template has been created for program directors and licensees to check off to ensure that all forms have been received for enrollment or updated as required.	
R 400.8146(2) Information provided to parents.	Nine out of ten children's records reviewed did not have the written documentation form signed by parents.	All students' families have been provided a new folder with all necessary documents to be completed. A time frame has been provided for families to turn in the required documents. A file template has been created for program directors and licensees to check off to ensure that all forms have been received for enrollment or updated as required.	04/17/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
