Dear Tanikka Harris,

This letter is to advise you that the 4/4/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125(5)	One staff file reviewed did not have an abuse and neglect statement on file. The abuse and neglect statements are missing the required verbiage per the rule.	I have made sure that each and every staff member has an abuse and neglect form signed and dated. Each staff member has now completed a new one and has been placed in each employee file. I will make sure myself that everything is in compliance moving forward I will do a quarterly employee maintenance check on each employee files.	3/25/2024
R 400.8131(3)	Three staff members did not required health and safety training prior to caring for children.	I will ensure that each employee has taking all necessary classes on or before April 1, 2024. I will again myself do a routine maintenance of	4/6/2024

		each employee file quarterly to stay on top of trainings. Ongoing all staff will complete health and safety trainings prior to caring for children; the program director will ensure that all staff complete the trainings.	
R 400.8131(4)	Three staff members did not required health and safety training prior to caring for children. Ongoing all staff will complete health and safety trainings prior to caring for children; the program director will ensure that all staff complete the trainings.	4/6/2024
R 400.8131(5)	Three staff members did not required health and safety training within 90 days of being hired.	I will ensure that each employee has taking all necessary classes on or before April 1, 2024. I will again myself do a routine maintenance of each employee file quarterly to stay on top of trainings. Ongoing all staff will complete health and safety trainings prior to caring for children or within the 90 days of being hired; the program director will ensure that all staff complete the trainings.	4/6/2024
R 400.8143(2)	Nine out of ten child information cards had not been updated annually.	That wont ever happen again; I thought everything was up to	4/1/2024

	Six were updated in 2022 and three were updated in 1/2023.	date and been checked. I will ensure that each and every child information card is up to date and maintained properly. I literally gave all the parents new child information cards to be completed and brought back to the center by 4/1/2024	
R 400.8143(7)(a)	Two toddlers had physicals that were not updated annually. One toddler's physical was completed 10/2022 and the other 1/2023.	I will ensure that all children have physicals updated annually. I will make sure that we do a quarterly check on all children and staff have all updated.	4/1/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
