RE: License #: DC820310057

RE: SI LOG #: **Academy of Beanie Care, Inc.  
 12422 Kelly  
 Detroit, MI 48224**

Dear Ms. Smith:

This letter is to advise you that the 07/22/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited   | Noncompliance observed   | Plan to correct   | Date to be completed |
|---|--|---|----------------------|
| R 400.8112(1)(c)<br>Comprehensive background check; fingerprinting. | Two out of three staff members present had not been entered into the child care background system and determined eligible by the department. | All staff have been entered into the background check system and are connected. Ongoing the licensee will enter all staff that require a background check before caring for children. This will also be added to the two-person verification on-boarding process. | 7/14/2022            |
| R 400.8125(1)<br>Staff; volunteer; requirements.                    | Inadequate supervision in the infant toddler area during rest time.  | Staff will ensure that adequate and appropriate supervision is provided at all times.   | 7/12/2022            |

|   |  |  |           |
|---|--|--|-----------|
| R 400.8125(5)<br>Staff; volunteer;<br>requirements. | One out of three staff files reviewed did not have a signed abuse and neglect statement on file.                     | All staff files will have an abuse and neglect statement signed and dated before caring for kids.  | 7/19/2022 |
| R 400.8134(2)(e)<br>Hand washing.                   | A staff member in the infant and toddler area change two diapers and not wash her hands after each diaper change.    | A training has been provided to staff on handwashing procedures for staff and children by the licensee. On-going, two trainings will be scheduled in January and July and then at the time of hire providing training in handwashing procedures. | 7/19/2022 |
| R 400.8134(3)(b)<br>Hand washing.                   | The staff member did not wash the two children's hands after changing their diapers.                                 | A training has been provided to staff on handwashing procedures for staff and children by the licensee. On-going, two trainings will be scheduled in January and July and then at the time of hire providing training in handwashing procedures. | 7/19/2022 |
| R 400.8134(4)<br>Hand washing.                      | There were no handwashing signs at any sinks in the center.  | Handwashing signs have been reposted and will be removed and reposted while renovations are completed.   | 7/7/2022  |
| R 400.8143(2)<br>Children's records.                | Five out of 10 child information cards reviewed had not been updated annually.                                       | Child information records will be updated annually. The licensee and program director will ensure that records are maintained and updated as required by rules.  | 7/7/2022  |
| R 400.8143(3)<br>Children's records.                | One out of 10 children's records reviewed had a child with missing immunization documentation.                       | Children that are no longer in attendance or not attending pending documentation will be kept separate from attending and complete children's files. All children's files will have required immunization documentation.                         | 7/7/2022  |
| R 400.8176(12)<br>Sleeping<br>equipment.            | A crib which an infant was sleeping in had loose-fitting sheets. I observed the sheet bunching up around the infant. | Training has been provided to all staff reviewing policies and proper sheet fitting. All staff have completed infant safe sleep training.  | 7/14/2022 |
| R 400.8176(13)<br>Sleeping<br>equipment.            | An infant was sleeping with a blanket inside the crib.   | Training has been provided to all staff reviewing policies and proper sheet fitting. All staff have  | 7/7/2022  |

|  |   |  |           |
|--|---|--|-----------|
|  |   | completed infant safe sleep training.  |           |
| R 400.8182(3)<br>Ration and group size requirements.               | One child care staff member with seven children in the infant toddler area. The youngest child in the area was 5 months. There should have been two child care staff members present. | Staff will stay with their assigned classrooms with their assigned groups of children to ensure that ratios are maintained.                              | 7/19/2022 |
| R 400.8188(14)<br>Sleeping; resting; and supervision.              | There were areas that children were resting in that were too dark to see children's faces.  | The blinds will be left open to allow for natural light. Any area in which a child is resting, and faces are not able to be seen lighting will be added. | 7/19/2022 |
| R 400.8330(22)<br>Food services and nutrition generally.           | There was an infant sleeping with a bottle in the crib.   | All staff has taken infant safe sleep training and been provided a training by the licensee.   | 7/14/2022 |
| R 400.8340(3)<br>Food services and nutrition; provided by parents. | There were five bottles not labeled with the child's first and last name and date.  | Staff received a training on bottle and cup labeling. On-going staff will be labeling bottles and cups with the child's first and last name and date.    | 7/14/2022 |
| R 400.8350<br>Toilets; hand washing sinks.                         | The sink in the infant-toddler changing area was not working. There was not a handwashing sink readily accessible to staff.   | The handwashing sink in the infant area has been repaired.   | 7/9/2022  |

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,

A handwritten signature in cursive script that reads "Paris Howard".
