Dear Ms. Harris:

This letter is to advise you that the 06/27/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
MCL 722.115n(16) Application for or renewal of license to operate child care center, group child care home, or family child care home; household member or child care staff member; criminal history check; requirements; duties of department.	The checks and clearances required in subsection (1)(a) to (c) and section 5q shall be updated at least every 5 years if the individual has been continuously licensed, has continuously been serving as a child care staff member, or has continuously been an adult member of the household.	Licensee has ensured that fingerprints have been scheduled for those expired and in the future all prints will be renewed before expiration.	June 27, 2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,
