Dear Mrs. Duncan,

This letter is to advise you that the 03/20/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

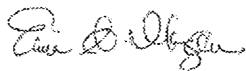

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143 Children’s records	During the onsite inspection on 03202023, 13 of 29 children’s records were missing information.	During the onsite inspection, a corrective action plan was submitted. All children’s files will be completed with the allergy section completed with none or unknown if there are no known allergies.	Immediately
R 400. 8112 Comprehensive background check; fingerprinting	During the onsite inspection, there were former staff who were still connected in the child care background check system.	During the onsite inspection, a corrective action plan was submitted. The ccbc system will be monitored to disconnect staff who are no longer affiliated with the facility.	Immediately

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
