Dear Ms. Mattea:

This letter is to advise you that the 04/21/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8131(5)(12)	All staff did not complete health and safety modules 1-2. All staff did not complete the required 2020 and 2021 refresher courses.	All staff will create a MiRegistry account and complete all health and safety trainings.	Immediately and ongoing
R400.8173	The couch in the dramatic play area was worn.	The couch will be removed and another piece ordered.	Immediately and ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
