Dear Ms. Delphia:

This letter is to advise you that the 03/23/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8112(2)(f) Comprehensive background check; fingerprinting.	Licensee failed to immediately disconnect two child care staff members once they were no longer working at the center.	Licensee has ensured that staff will be disconnected immediately from CCBC once they are no longer working at the center.	Immediately
R400.8131(6) Professional development requirements.	Six of twelve child care staff members did not complete 16 hours of professional development for years 2022 and 2021.	Licensee has ensured that staff will complete 16 hours of professional development training annually through MiRegistry and trainings offered by licensee or other approved trainers.	Immediately
R400.8143(6)(c) Children's records.	Two of twelve children were missing a physical evaluation signed and	Licensee has ensured that within 30 days of enrollment all physical evaluations signed and dated by	Immediately

	dated by a physician or physician's designee.	a physician or physician's designee will be on file for each student.	
R400.8146(2) Information provided to parents.	There was no written documentation on file at the center that parents received a written information packet.	All families will sign that they received a copy of the center's written information packet and documentation is kept on file at the center.	4/10/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

Janeiro Byrd, Licensing Consultant
