You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed

R400.8158(4)	Licensee did not notify consultant in writing within the 72 hour time after child received medical attention.	Licensee will notify consultant after child is injured at center and requires medical attention	Immediately, 7/18/2022
