RE: License #: DC820361768
Helping Hands Child Care & Development Center LLC

Dear Mrs. Rodgers,

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 07/11/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

During the onsite inspection there were 11 children present. The children were sitting in circle time reviewing their numbers, colors, and letters. Mrs. Rogers has a wealth of equipment for children’s use. The children’s files had all required documents, and all required postings were in a place accessible to parents. As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
