Dear Ms Obad:

This letter is to advise you that the 03/10/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8131(12) Professional development requirements.	One out of five staff files reviewed had a staff member who had not completed the health and safety refresher for 2022.	Staff completed the health and safety refresher. The site supervisor will make sure this training will be completed annually and will do follow up with staff if necessary.	2/17/2023
R 400.8143(1) Children's records.	Two out of ten child information cards reviewed were not signed.	Parents have updated the child information cards to include all missing information. Site supervisors will check all child information cards when turned in by parents to ensure that they are complete before enrolling children.	3/10/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
