Dear Ms Liburdi:

This letter is to advise you that the 10/13/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8112 Comprehensive background check; fingerprinting.	On 09/14/2021, three of the five child care staff member files reviewed were not connected in the CCBC system.	Licensee will connect all child care staff members.	10/12/2021
R 400.8137 Diapering; toileting.	In the infant room, on 09/14/2021, there were tears on the changing pad which caused the changing pad to be absorbent, and not easy to clean.	Licensee provided a new changing pad in the infant room.	10/12/2021
R 400.8320 Food preparation.	In the infant room, there was no thermometer in the refrigerator to indicate the temperature.	Licensee replaced the thermometer in the infant room refrigerator.	10/12/2021

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.
