III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of applicable key indicator child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of some of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards and immunizations.

The facility is in compliance with all applicable rules and statutes.

Consultation was provided regarding missing hand-washing signs near two portable sinks.

IV. RECOMMENDATION

I recommend issuance of a regular license for this child care facility.
