Dear Vanecia Ayers,

This letter is to advise you that the 5/23/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8182(3)(a)	During the onsite inspection on 12/21/2023, the center was observed, and the infant and tiny tot's rooms was out of ratio. The one to four ratio was not maintained and another CCSM was needed in each of the rooms.	The Program Director will ensure that the ratio in each classroom is met. The program director hired additional staff. The program director will continue to monitor the ratio that is required for each class; if hiring additional staff is needed, she will do so. If staff is absent, the program director will notify the executive director to have substitute caregivers to come to the center.	12/22/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
