Dear Mrs. McCullum:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 07/27/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations. During the onsite inspection, there were 26 children present. The children use the gymnasium at Premier Academy as child use space. They had pop tarts, apple sauce and milk for breakfast, followed by a snack that included yogurt and rice crispy treats. The children engage in daily gross motor activities such as using balls, hoola hoops, and scooters. The have in-house field trips such as dunk tanks, water balloons, and shave-ice trucks. Technical Assistance was provided regarding full completion of the child information records and ensuring handwashing signs are in the lavatory.

As a result of the inspection, I did not find any rule or law violations.

<b>During calendar year 2021:</b>	<b>Total</b>
