Dear Shekelia Stokes:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 05/09/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection there were two children present. The children were taking naps. I completed a thorough check of postings, the safety of the facility, and records. I observed eight children's files and five staff files. All records were in compliance with licensing rules.

There were no rule violations.

Sincerely,

A handwritten signature in cursive script, appearing to read "Erica A. Hogan".
