Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Center.

As a result of the Interim inspection(s) on 5/2/2024, licensing consultant Laura Piacentini did not find any rule or law violations.

On 05/02/2024, during my onsite inspection, I observed two classrooms. One classroom was participating in morning message where children worked on identifying shapes, colors, as well as answering the questions "Do you have an M in your name". After morning message, children participated in a story read aloud. In the second classroom, children were participating in small group time where children were working on sorting and counting objects. Afterwards they transitioned to planning time and work time where children planned what they wanted to go play with and they were able to play freely around the classroom.

If you have any questions regarding the report, please contact licensing consultant, Laura Piacentini, at (313) 269-5879. In the event that Laura Piacentini is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
