RE: License #: DC820387595
Development Centers EHS/HS
19176 Northrop
Detroit, MI 48219

Dear Mrs. Mallory-Burns:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 01/03/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

R 400.8131 Professional development requirements.

(12) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 month of the notice.

A review of MiRegistry revealed all required childcare staff members did not complete the required health and safety refresher for 2020 and 2021. A further review shows M. Simmons completed module 1 but not module 2 of the initial training.

Due to the violations identified in the report, **a written corrective action plan** is required. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

A follow-up inspection may be made to verify compliance. Should the corrections not be made in the specified time, it may be necessary to reevaluate the status of your license.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.
