Dear Ms. McDaniel:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 02/09/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the onsite inspection I observed all open classrooms preparing for rest time and or waking up from rest time preparing for afternoon snack. I observed positive child/caregiver interactions. The center is equipped with a variety of developmentally appropriate materials for children to use. I provided consultation on updating policies.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
