Dear Miss Newby:

This letter is to advise you that the 08/09/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8110 Applicant; licensee; licensee designee; requirements.	There was no licensing notebook on the premises.	A licensing notebook will be created and placed in a place accessible to parents.	09/30/2023
R 400.8112 Comprehensive background check; fingerprinting.	During the onsite inspection, there were approximately 12 individuals who were not child care staff at the facility.	All former staff will be disconnected upon separation of employment.	08/31/2023

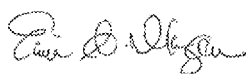

R 400.8125 Staff; volunteer; requirements.	No staff had abuse and neglect statements on file at the center.	All staff will sign an abuse and neglect statement and it will be placed in their files.	08/31/2023
R 400.8143 Children's records.	21 of 31 child information records had no information on the child's allergy status.	The center will have parents complete the child's allergy information.	09/30/2023
R 400.8146 Information provided to parents.	There was no evidence that the parents received notice that a licensing notebook was on the premises.	A notice will go out to parents that there is a licensing notebook on the premises that will be made accessible to them.	09/01/2023
R 400.8335 Food services and nutrition; provided by center.	During the onsite inspection, there was a half-opened gallon of milk that was not dated.	All milk will be dated upon opening.	Immediately and ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
