RE: License #: DC820392767
Tiny Bliss Child Care
25832 Joy Rd
Redford, MI 48239

Dear Mrs. Newby:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 11/17/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

During the onsite inspection there were five infants present. The infants engaged in tummy time and heard a story. I visited the early preschooler's classroom, and they were having free choice time with dramatic play, books, and blocks. The toddlers were working on their alphabets and shapes. The preschoolers in the lower level worked on tracing their numbers and letters and sequencing letter tiles. Technical Assistance was provided to Ms. Audrey Newby, program director regarding dating the milk immediately when it is opened according to R400.8335(8)(a). An updated licensing rule book will be sent to Ms. Audrey in order for her to read it and familiarize herself with the licensing rules.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0

Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
