Dear Tiffanie Plackowski,

This letter is to advise you that the 04/04/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8152(2)	I observed an inhaler onsite for an enrolled child without written permission from a parent.	We will have parent sign off on all medications at the time medication is received. Current child with medication on site will be completed by 04/08/2024.	04/08/2024
R 400.8152(5)	An inhaler was within reach of children inside a bag hanging on the wall.	All medications will be kept out of the reach of children. Current bad with medication in it was immediately moved out of reach of children.	04/04/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact RaSheeda Mitchell at mitchellr6@michigan.gov.
