Dear Ms. Stokes:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 10/12/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

During the onsite inspection there were nine preschoolers present. The preschoolers sang the alphabet song and completed group work at the table using manipulative blocks. There were four infant/toddlers present. They engaged in tummy time on the floor. Technical Assistance was provided to Licensee Designee regarding the use of media being prohibited for all infant and toddlers under 2 years old. All records were in compliance.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
