Dear Mrs. White,

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 06/21/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

During the onsite Interim inspection, there were two infants and six preschoolers present. The infants were having tummy time on the floor and the preschoolers were engaged in a memory game with two childcare staff members. Technical Assistance was provided regarding the children’s allergies and medications, (if any) being identified on the child information record. The children were having nacho supreme, fruit and milk for lunch.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
