Dear Reshonta Seays,

This letter is to advise you that the 6/3/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125(1)	On 05/30/2024, there were 11 children signed in. Staff members allowed 6 children to leave the classroom unattended and unsupervised to go to an afterschool sports program.	R 400.8125(1) The Licensing Consultant is referring to a group of students that leave the program and go to a Gaming Club or tutoring and then return to the program. Ms. Hannah has been marking the sign in sheet to note where the students are when they leave so they know exactly who should still be with them and where the other students are at. We will adjust the Sign In/ Out Procedure to have the students sign themselves out before going to the other Club and then they	6/3/2024

		can sign back in when they return. We will also make sure that a staff member walks them to their other activity. This change will take place immediately, June 3, 2024.
