Dear Ms. McClain:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 06/16/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. There were no children present. The program director stated staff was in training for two days. However, I provided technical assistance on fire drill logs, child care background check (CCBC) maintenance, child information cards and Health and Safety training.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Sincerely,

A handwritten signature in cursive script, appearing to read 'JW', is positioned above the typed name.
