Dear Batul Akbari,

This letter is to advise you that the 10/16/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Special Investigation Case, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125 (1)	Based on the interviews CCSM 1, Mrs. Akbari, CCSM 2, CCSM 3, CCSM 5, Child A, Child B, and Child C’s Mother there is sufficient evidence to conclude the staff did not provide appropriate care and supervision of Child A when CCSMs were unable to find him when it was time for pick up.	The licensee removed all bathroom locks to ensure the safety of the children.	10/16/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact Nicole Gibby at \_\_\_\_\_ or gibbyn@michigan.gov.
