Dear Ms Obad:

This letter is to advise you that the 05/03/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143(1) Children's records.	Two out of ten children's records reviewed had an unsigned information card and an information card missing the parent's phone numbers and emergency contacts last names.	Any form that is not completed will be complete; the site leader will ensure that this is done. Ongoing during initial registration staff will ensure that children's records are completely filled out before attending programming.	04/14/2023
R 400.8143(8) Children's records.	Three out of ten children's records reviewed did not have the good health question answered.	Any questions not answered will be answered; the site leader will ensure that this is done. Ongoing during initial registration staff will ensure that children's records are completely filled out before attending programming.	04/14/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
