Dear Mrs. Franz,

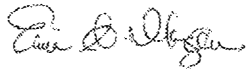

This letter is to advise you that the 07/11/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8112 (2)(e) Comprehensive background check; fingerprinting.	During the onsite inspection, Mrs. Veronica was not connected as the licensee designee and former employees were still in the ccbc system.	Mrs. Franz will ensure that she has identified both her roles as the licensee designee and the program director and will disconnect all former employees from the child care background check system.	07/11/2022
R 400.8128 Staff; volunteer; tuberculosis.	During the onsite inspection, there were staff who did not have a medical clearance with TB on file at the center.	Mrs. Franz will ensure that all staff will submit a medical clearance with a negative TB result and it will be on file at the center and available to the department upon request.	07/31/2022

R 400.8335(8)(a) Food service and nutrition; provided by center.	During the onsite inspection, there was open milk that did not have the date of opening labeled on it.	Upon opening milk, it will be labeled with the date of opening and will be discarded after 7 days of opening.	07/31/2022
