Dear Ms. Elwart:

This letter is a follow-up to the on-site inspection conducted at your center on 5/12/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

Your request to start using the previous approved PreS/PreK classroom for school age children during the summer and for PreK during the school year is approved. Your capacity will increase from 37 children to 49 children.

There are no other changes to the building or floor plan.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Sincerely,

A handwritten signature in cursive script that reads "Jeanette Wallington".
