Dear Ms. Bazzi,

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/28/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

During the onsite inspection there were seven children present. The children read books, played marbles, and made cookies. They were also engaged in large motor activities. The children were having lunch upon my arrival. They had chicken nuggets, peaches, corn, bread, and milk for lunch. Technical Assistance was provided regarding using the Written Information Packet to suffice for R400.8146, instead of using multiple forms. A copy will be sent along with this report.

As a result of the inspection, I did not find any rule or law violations.

<b>During calendar year 2021:</b>	<b>Total</b>
