Dear Mrs. Smith:

This letter is to advise you that the 04/28/2023 corrective action plan you submitted in response to the Renewal Licensing Study Report, is not approved for the following reason:

Your corrective action plan did not include the following components as required:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

You have 5 working days from receipt of this letter to submit a revised corrective action plan regarding the violation of each rule listed in the report. Failure to submit an acceptable corrective action plan may result in disciplinary action.

The Bureau provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

A handwritten signature in dark ink, appearing to read "Timika D. Haley". The signature is fluid and cursive, with a large, stylized "H" at the end.
