Dear Tomico Dyson,

This letter is to advise you that the 6/11/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Special Investigation Case, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125(1)	Appropriate care and supervision were not provided when Child A left the classroom unsupervised.	All staff and volunteers have been communicated with including on going training to provide appropriate care and supervision of all children in their care at all times. By Licensee Designee Tomico Dyson, Champions area manager	04/01/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
