## **II. Purpose of Addendum**

On 11/15/2021, Lindsey Richards, Licensee requested a modification to the child care license. The licensee requested to add classroom 3 and increase the capacity.

## **III. Methodology**

09/13/2021- Inspection Completed: Fire Safety: A  
09/15/2021- Inspection Completed: Env. Health: A  
10/20/2021- Modification request received.  
11/19/2021- Inspection Completed On-site.

## **IV. Description of Findings and Conclusions**

The original license has been modified on January 20, 2022.

The following classrooms are approved for use:

Classroom 3 measures 304 square feet and can accommodate up to 9 children (ages 3 years and older) based on 35 square feet per child. There is an egress door that leads to grade level.

Classroom 4 measures 379 square feet and can accommodate up to 11 children (ages 3 years and older) based on 35 square feet per child. There is an egress door that leads to grade level.

Classroom 5 measures 381 square feet and can accommodate up to 11 children (ages 3 years and older) based on 35 square feet per child. There is an egress door that leads to grade level.

The center's modified capacity is 31.

There is an adequate amount of age and developmentally appropriate equipment onsite. All equipment inspected is safe, clean and in good repair. A detailed equipment list is on file with the department.

There are 6 toilet and 4 handwashing sinks. This is enough to support the center's capacity of 31 children.

The outside play is located in the front of the childcare center and is fenced in. This is a natural playground with no commercial equipment. There are no water hazards.

The lead hazard risk assessment was completed 06/13/2021 by Kevin McNeil, Certification# P-00016, Lead Hazard Risk Assessor, MJ Environmental, Inc. There were no lead hazard risks found.

The playground inspection was completed 06/02/2021 by Lisa Abdellaoui, NCI Certification# - 2377, Playground Inspector. This is a natural playground with no commercial equipment and surface were found to be in compliance with the Consumer Product Safety Commission's (CPSC) 2010 Edition of the Handbook for Public Playground Safety.

The center will operate Monday through Friday from 8:30 a.m. to 3:30 p.m.

**V. Recommendation**

I recommend classroom 3 be added and the capacity of the center to be changed to 31.
