III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center's records, including staff records and children's records. Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations.

This renewal inspection involved a review of applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and a review of the centers records, including staff records. No children records were reviewed as there were no children enrolled. Staff records included background checks and training information. A review of the program and discussions with staff were not completed at this time, as there were no children present.

The facility is in compliance with all applicable rules and statutes.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care center.
