RE: License #: DC820408626  
Foundation First Child Development Center  
18310 Livernois  
Detroit, MI 48221

Dear Ms. Scott:

This letter is to advise you that the 03/11/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8128 Staff; volunteer; tuberculosis.	Four of six child care staff members did not have on file at the center evidence to verify that they were free from communicable tuberculosis (TB).	In the future, all potential staff members will be required to provide verification of TB status. All records will be reviewed annually for compliance.	3/31/2022
R 400.8143(1) Children's records.	Child information cards were missing or incomplete with no physician phone number or date of admission.	Child information cards will be reviewed for completion before child starts and monitored periodically for changes.	3/31/2022
R 400.8143(3)(a) Children's records.	Six of fifteen children records reviewed did not have a certificate of immunization showing a	In the future, child immunizations will be required by first day of enrollment.	3/31/2022

	minimum of 1 dose of each immunizing agent specified by the department of health and human services (DHHS).		
R 400.8143(6) Children's records.	Eleven of fifteen children records reviewed did not have a physical evaluation signed by a physician or the physician's designee within 30 days of the child's attendance.	In the future, physical evaluations will be required and collected within 30 days of enrollment. Children files will be checked periodically for completion.	3/31/2022
R 400.8146(2) Information provided to parents.	Seven of fifteen children records reviewed did not have on file at the center written documentation that the parent received a written information packet.	In the future, written information packets will be provided to all new families at enrollment and received from current families.	3/31/2022
R 400.8340(3) Food services and nutrition; provided by parents.	Infant bottles were labeled with the child's first and last name but did not include the date.	In the future, all infant bottles will be labeled with the first and last name and date.	3/31/2022
R 400.8350(5) Toilets; hand washing sinks.	The hand washing sinks water temperature exceeded 120 degrees Fahrenheit.	The hot water tank temperature will be adjusted to 120 degrees Fahrenheit and monitored periodically.	3/31/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,
