Dear Ms. Whitfield:

This letter is to advise you that the 06/09/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143 Children's records	During the onsite inspection, there were 6 out of 10 children's files missing child information records and/or information missing from the child information records. During the exit conference the program director stated the records were onsite, but they were not given to me by the person left in charge.	Each staff member will know to give the binder to licensing where the children's records are kept.	Immediately

<p>R 400.8146 Information provided to parents</p>	<p>During the onsite inspection, there were 8 of 10 written information packets missing from children's files and/or written information packets not signed by a parent or guardian. During the exit conference the program director stated the records were onsite, but they were not given to me by the person left in charge.</p>	<p>At the time of inspections, the correct child's records will be available. Each staff member will know to give the binder to licensing where all children's records are kept.</p>	<p>Immediately</p>
<p>R 400.8179 Program</p>	<p>During the onsite inspection, there were children watching a movie that were under 2 years of age.</p>	<p>The center will make sure there are no children under 2 years of age in the same room while media is in use.</p>	<p>Immediately</p>
<p>R 400.8182 Ratio and group size requirements.</p>	<p>During the onsite inspection, there were 25 children present with two child care staff members. Two additional staff were in and out of the room. There was an infant present, which meant the ratio should have been 1:4. There should have been a total of 7 adults in the mixed age class as a result.</p>	<p>The center will keep infants in their well-defined space to avoid being out of ratio.</p>	<p>Immediately</p>
<p>R 400.8335 Food services and nutrition; provided by center.</p>	<p>During the onsite inspection, there was opened milk that did not have a date of opening written on it.</p>	<p>Each staff member will be trained to make sure all containers of milk will be labeled with the date it was opened.</p>	<p>Immediately</p>
<p>R 400. 8385 Poisonous to toxic materials.</p>	<p>During the onsite inspection, there was a bottle of Clorox Toilet Bowl Cleaner in the children's</p>	<p>The center will ensure that all cleaning products will be stored out of the children's reach. The</p>	<p>Immediately</p>
