Dear Mrs. Fisher:

This letter is to advise you that the 01/17/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8155 Child accidents and incidents; child and staff illness	The center has a written plan established in their Family Handbook on how and when a parent is to be notified. Staff did not provide Child A's Mother with an incident report during pick up, per the Champion's written policy.	Child care staff members will speak with guardians as soon as possible if a child experiences an accident, injury, or incident. An incident report is required as well. Area Manager and Center Director will monitor and maintain compliance.	1/17/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
