Dear Ms. Smith:

This letter is to advise you that the 01/23/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
8110(10)	Licensee had changed classrooms without written approval from the department.	A modification request was submitted on 1/10/2023. Licensee will request a modification when changing rooms in the future.	1/10/2023
8161(6)	Only one tornado drill had been conducted in 2022.	Tornado drills will be conducted twice between the months of April and October	On-going
8350(5)	The portable sink in the infant room did not have warm running water.	Licensee is researching portable sinks that can be installed and have warm running water.	1-31-2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
