## IV. Description of Findings and Conclusions

The terms of the original license have been modified on 10/12/2022.

Heel Development Center is located at 8881 Beech Daly Rd. in the city of Redford. The facility is located between Joy Road and West Chicago. Upon entering the center there is a small foyer. Pass the door of the foyer, is Room 1. Past a second doorway, is Room 2, which one large open space divided into two well-defined spaces.

The rooms approved for child use space in this building are:

- Room #1 is for toddlers 18 mos – 2 ½ years old. It measures 11ft. x 17ft., providing a total of 187 square ft. This accommodates a capacity of 4 toddlers ages 18 mos. – 2 ½ years old.
- Room #2 is for children 3 – 12 years old. It measures 23ft. x 26ft. + 17ft x 13ft., providing a total of 819 square feet. This accommodates a capacity of 23 preschool to school-age children. Technical Assistance has been provided to the licensee designee/program director regarding when there are mixed ages in the same room or well-defined space, then the ratio and group size is determined by the age of the youngest child.
- Bathroom #1 has 1 toilet and 1 sink.
- Bathroom #1 has 1 toilet and 1 sink.

There are enough bathrooms and sinks for the total capacity of 28.

### Equipment:

The center has adequate and varied amount of equipment to meet children's developmental needs. All of the equipment is safe, clean and in good repair. An

equipment list was submitted and reviewed. The equipment supports the center's requested capacity.

**Number of sinks and toilets:**

There is a total of 2 sinks and 2 toilets available for children's use. The number of toilets and sinks support the center's approved capacity of 28.

**Outdoor play area - location, fenced or not, water hazards:**

HEEL Development Center will use the playground at Tiny Bliss Childcare located at 25832 Joy Road in Redford, MI. When exiting the back door of Heel Development, staff will walk the children to a grassy area that leads to the fenced in playground at Tiny Bliss Child Care Center. An agreement to use the playground at Tiny Bliss Child Care Center has been submitted. An alternative playground area is in the rear of the parking lot of the center. The staff will place cones out to create a barrier that will create an area for children to use playground equipment such as hoola hoops, balls, sidewalk chalk, etc. There are no water hazards in the area.

**Documentation if a lead hazard risk assessment was required and the results:**

A lead hazard risk assessment was conducted on 02/21/2022 by Hani Yaqo and his Michigan Certification Number is P-7331. There was no lead found.

**Documentation of playground safety:**

There is no equipment on the premises, therefore a playground inspection is not required.

**Ages of children served:**

Heel Development Center will serve children ages 18 mos – 12 years old.

**Proposed days and hours of operation:**

The proposed days of operation are Monday – Saturday. The center will operate for 24 hours, ending at 9:00am on Saturday morning and reopening on Monday.

**Full or part time (AM or PM sessions or both):**

This facility will offer both full and part time.

**Other program components - transportation, swimming, food service:**

This facility will not offer transportation and swimming. The center will provide breakfast, lunch, dinner and two snacks.

**Name of program director and under what rules the program director is qualified:**

Darrlisha Newby is the approved program director. She is approved under R400.8113(9)(c) and 13. Her CPR, First Aid and Health & Safety Training are current. All required clearances have been completed and are on file with the department.

**Is there a central administrator that meets the administrative requirement?**

There is no central administrator for this child care facility.

**Explanation of variance(s), if any:**

There are no variances.

**A. Rule/Statutory Violations**

There are no rule/statutory violations.

**V. Recommendation**

I recommend the approved child use space, room #1 be modified to serve toddlers, ages 18 mos to 2 1/2 .
